

LIST YOUR BUSINESS IN THE SLASH APP FEATURED SECTION

GET 15% OFF WHEN PAYING A
YEARLY SUBSCRIPTION

1. Increased visibility: being included in the featured section means your business will be more prominently displayed and easily discoverable by users searching within the Slash App. This can lead to higher traffic and more potential customers.

2. Credibility and trust: being selected for a featured section signals that your business is reputable and trustworthy. This can help build confidence in potential customers and make them more likely to engage with your business.

3. Competitive advantage: if your competitors are not featured, being in the featured section gives you an edge and makes your business stand out from the crowd.

4. Brand awareness: consistent exposure in a popular app can help increase brand awareness and recognition for your business among a wider audience.

5. Targeted audience: the users browsing the app are likely searching for businesses in your industry, providing you access to a highly relevant and engaged target market.

6. Potential for partnerships: being featured may also open opportunities for partnerships or collaborations with the app provider or other featured businesses.

7. The Slash App has strategic positioning around the island in high footfall areas covering thousands of people per day, we have been able to achieve this by having brand partnerships within the day and nighttime events industry. We are also based in and around Koh Samui Airport and other entrance points to the island.
